Reconfirmation Meeting: October, 2023

Instructional Delivery Method:

PreK-12th Grade:

- In - person
- Hybrid
- Virtual - Live Synchronous
- Virtual - Asynchronous
- Hard Copy Materials
- Other

For the 2023-24 school year, Lapeer Community Schools will provide in-person or virtual instruction to our population of students. Students who must miss school due to illness will have the opportunity to make up the work according to our handbook policies, which may include completing tasks online or via materials picked up from school. Lapeer Community Schools will continue to hold high expectations for student achievement and will continue to work toward closing any gaps in learning that may have occurred because of the pandemic. Each year, we set goals for math and reading and consistently monitor student progress through assessments such as NWEA, PSAT/SAT, MSTEP, and Fountas and Pinnell. We continue to work on relevance, rigor, and relationships as well to enhance the learning experience for all students.

Face Covering Protocols:

Lapeer Community Schools will no longer have a mask policy due the end of the COVID-19 public health emergency on May 11, 2023. Students, staff, and guests will not be prohibited from wearing masks if the individual feels it is necessary to protect themselves or others from airborne communicable diseases.

Cleaning Protocols:

Lapeer Community will ensure that high-level disinfection practices will continue.

Athletics:

Lapeer Community Schools will align all athletic programs and protocols to the approved Michigan High School Athletic Association (MHSAA) guidelines.

COVID-19 Testing and Quarantining Protocols:

Student and staff vaccinations are not required. For 2023-24, Lapeer Community Schools will not be conducting contract tracing nor imposing quarantine rules.

Visitor and Volunteer Protocols:

Visitor and volunteer protocols will revert to pre-pandemic policies as outlined in building handbooks.

Student Transportation:

Normal transportation operations will occur.

Review of Weekly 2-Way Interaction Rates:

For the 2023-24 school year, two-way interaction rates are only required for students who participate in the virtual credit recovery program or virtual-home school partnership.
