Our Renewed Commitment to You

In this Edition:

- > **August PD Schedule**
- > **Shoutouts to staff: We appreciate all you do!**
- > **Back to school bond update**
- > **Welcome new staff!**

Perhaps no industry has experienced the challenge of the tight labor market more than public education. In Lapeer, it has been a constant battle to keep our schools staffed at acceptable levels. This has been a huge burden on our organization, one that every single one of you has experienced firsthand.

For us, there's no single solution to this challenge, but we have to make every effort to overcome it. Fortunately, the District's leadership team, alongside the LCS Board of Education, have made employee compensation a priority. With that in mind, we negotiated numerous agreements over that last few months that take major strides toward compensating our employees at a level you deserve.

These agreements reflect our commitment to achieve significant wage increases that allow the District a greater ability to attract and retain talent to serve the needs of our school community. Moving forward, we are confident that this commitment will be reflected in future agreements and in our approach to all employee matters. We are incredibly grateful to you for your desire to be a part of our team moving forward, and we hope you will remain with us for the long haul.

Together, let's make 2023-24 a great school year! Bolt up!

Back to School Bond Update

Just a few weeks out from the start of the school year for our traditional calendar students, you will notice some major changes at a couple of our schools.

First, the open classroom renovation project at Schickler Elementary is drawing to a close. The west wing of the building will be ready to rock for the first day of school, with traditional and secure classrooms.

In addition, major work is being done at the CFI-West Campus to prepare roughly half of the facility for demolition. Our local employees may have already noticed the removal of the awnings from the building and the prep work for the initial stages of the south parking lot expansion.

“This is an exciting time for us, as we see some long-overdue projects begin to take shape,” said LCS Superintendent Matt Wandrie. “We know many people are eager to see all the work come to completion, but we have to be patient as we move through our project timeline.”

Opening Day(s) Schedule

This year's opening days will be held August 23-24 from 7:30 a.m. - 2:30 p.m. both days. **All staff are invited to this year's opening day welcome on August 23 at LHS.** Breakfast (optional) will be served from 7-7:30 a.m. prior to Superintendent Wandrie's opening welcome.

Professional development will take place for multiple employee groups between August 22-24 at various locations. Please refer to schedules at the bottom of the page. Paraprofessional PD is scheduled for Aug 22-24 for all traditional calendar paraprofessionals. Please check your email from Jeff Stanton that was sent last week for the full schedule as well as content assignments. If you have questions, please contact Jeff at Jeffrey.Stanton@LapeerSchools.org.

Krista “Terrific” Trevithick

“I would like to give a special shout and a well-deserved recognition to Krista Trevithick. Krista first came to me with the idea of implementing a new time and attendance system. This would allow our payroll team to process timesheets and all the “extras” of the organization in a more efficient way. I let Krista run with the idea and I couldn’t be more proud of her. Despite many hours on Zoom with support, early morning emails and all kinds of headaches, she has managed the implementation all while running knee-deep in payroll. Krista, you are the definition of a true leader who has passion in everything you do. Your drive, enthusiasm, and abundance of energy has us where we are today. You are a true inspiration to many around you and to Lapeer and I can't thank you enough for ALL YOU DO! I’m thrilled to have you part of the team.”

Donna Kurschat

“Congratulation to Donna Kurschat , head cook at Turrill Elementary. For the past 12 years, Donna has worked in the kitchen at Zemmer making pizzas, Bosco Sticks and calzones. She also worked the after-school supper program at LHS. She has been a valuable member of our food service team since 2009. Donna is a wonderful, compassionate person who cares about feeding kids. I have no doubt that she will do an outstanding job in her new role. When she is not working Donna likes to spends her free time with her family, drawing and crafting.”

The Lynch Custodial Team

“Thank you for ALL the hard work you put in daily. Please know that it is recognized and greatly appreciated. Custodians are responsible for more than sweeping floors, wiping tables, cleaning restrooms and salting sidewalks. When you’re not at the school, you are greatly missed and things do not flow smoothly. There are so many things you do for us on a daily basis that might be overlooked: *opening stuck lockers, fixing broken chairs and desks, keeping an eye on friends with special needs, corralling friends in hallways, lending your help at a moment's notice or just smiling or high-fiving a nervous new student.* You are a valuable part of our Lynch family! We appreciate all of you. Thank you Pat, Glenn and Jeff for your dedication and for making our school look AMAZING for the upcoming school year!”

Larry Hochman

“I just wanted to give a quick shoutout to Larry Hochman. Thank you for you work at Lapeer High School this summer. You are the Superman of Summer School in 2023! And remember: ‘There is a superhero in all of us. We just need the courage to put on the cape.’”

Do you know someone on our staff deserving of recognition?

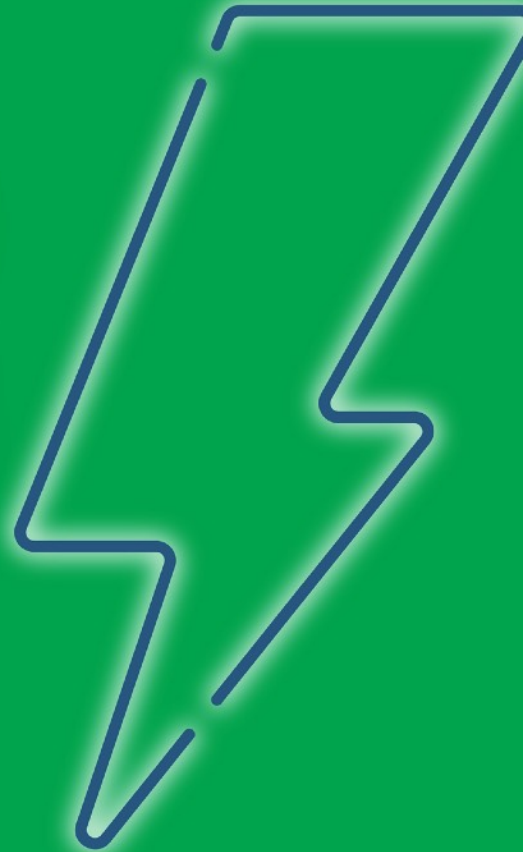

Recognition isn't just about noticing the big events, it is about recognizing the small things along the way that have a big impact. When you send a submission, please name the employee, share specific info about what they did and why it was important to you. If possible, please send a photo.

Please submit your own staff shoutout to [Jared Field](#) prior to the 20th of each month.

New for the 2023-24 school year:

We are encouraging all staff to wear Lapeer spirit wear on Fridays. Please join us as we share our collective pride in our schools for the entire community to see. And don't forget to pick up your t-shirt on opening day, August 23, at LHS. Bolt Up!

Sally Hogan's class at Schickler Elementary helps beautify birthplace of author Marguerite DeAngeli

Thanks to the efforts of Sally Hogan's third-grade class at Schickler Elementary, a new sign is now on display at the birthplace of Lapeer's own Marguerite DeAngeli. Mrs. Hogan's third grade class sold enough pickles to raise money to restore the Marguerite DeAngeli sign at Oregon and Main Street. There will also be new landscaping to beautify the space around the home.

During her life, she wrote and illustrated 28 of her own books, and illustrated more than three dozen books, numerous magazine stories and articles for other authors.

This project started when Sally's class read *Copper-Toed Boots* by Marguerite DeAngeli. The books were donated by Lapeer's Rotary Club to each third grade student this past year.

DeAngeli's childhood years in Lapeer were recalled as happy, and when *Copper-Toed Boots* was published in 1938, local adults and children alike delighted in the telling of what Lapeer life was like for a kid — in this case DeAngeli's father, Shad Lofft — growing up here in the 1800s. Those stories are still inspiring kids here, and in return, those kids are making sure the mark DeAngeli left on this little town is not forgotten.

"I'm so proud of my students for their work with community members to restore the landmark sign," she said.

Thank you to the third graders, our Schickler family, Express Auto Graphics, Signs, and Apparel, Vlastic and the Lapeer Historical Society for your support. We appreciate your contribution and dedication to our community to make this civic project a success!

Notes from Central Office

Do you know someone looking for a new gig? LCS has numerous openings for coaches, bus drivers, custodians, secretaries, paraprofessionals, teachers, support staff and more!

If you know someone who is interested, please send them to Applitrack via this link ([LCS Job Openings](#)) or encourage them to attend the Career Fair on August 9 (info in the events section of this newsletter)

Safety Tips for Schools

From the LCS Operations Department

- Any fire door that is designated to normally be kept closed (equipped with a self-closing mechanism) must not be blocked open with a chair or doorstop.
- Student-prepared artwork and teaching materials may be attached directly to the walls and must not exceed 20 percent of wall areas.
- Do not stack or store any item less than 18 inches below sprinkler heads deflectors in sprinklered areas of the building.
- A clear and unobstructed path for egress must be maintained in the hallways, in and around exit doors and in vestibules, to allow for proper egress in the event of an emergency. If tables and/or chairs are temporarily utilized in the hallways, all items should be placed to one side and removed when the task is completed.
- Heaters/radiators in the classrooms should remain free of combustibles such as books, papers and craft items. These units should also NOT be blocked by items so quick access is available.
- All electrical panels should have a clearance of three feet of any items to ensure the panel is quickly accessible.

Notes from Central Office

Eliminate Excess in Buildings

As we keep safety and energy efficiency as priorities in the operations of our buildings, please note that the following personal/residential items should not be brought into classrooms:

- Residential furniture
- Space heaters/fans
- Microwaves/coffee makers/refrigerators/grills
- Additional lighting unless lighting is necessary for learning environment
- Rugs/carpet that were not purchased from commercially approved resources
- Bookcases/shelving units that were not purchased from commercially approved resources
- Drapes/curtains/fabric that were not purchased from and installed by commercially approved resources
- Hot plates
- Scent warmers/candles
- Paints/chemicals/cleaners

At MESSA, your health and well-being are our top priority. That's why we're reaching out to encourage you to take full advantage of your preventive care benefits, especially when it comes to cancer screenings. MESSA offers 100% coverage for cancer screenings when you visit an in-network provider – so you can get the care you need without worrying about the cost.

We want to stress the importance of making routine cancer screenings a part of your preventive care. So, don't hesitate to schedule your colonoscopy, mammogram or prostate exam today.

MESSA is here for you

In addition to cancer screenings, MESSA covers preventive care free of charge for members and covered dependents when you go to an in-network provider, **including:**

- One annual physical per calendar year.
- Up to two gynecological exams.
- A long list of immunizations and vaccinations including COVID-19; flu; pneumonia; tetanus, diphtheria, and pertussis (Tdap); tetanus and diphtheria (Td); measles, mumps, and rubella (MMR); and zoster (shingles).

Some age restrictions may apply. We have the resources. Please put them to work for you.

Questions about MESSA Benefits?

If you have questions about your MESSA benefits, you can call MESSA's East Lansing-based Member Service Center at 800-336-0013. MESSA also offers online chat for members and dependents; learn more at messa.org/

Member service representatives are available from 8 a.m. to 5 p.m. Monday through Friday.

Prioritize your mental health with AbleTo

From our friends at MESSA:

Get a personalized 8-week program to provide support when you need it. Everyone knows that exercise routines are key to good physical health. Just as important, however, is developing a routine to nurture your mental health. Remember: Mental health and physical health together make up your overall health.

If you're feeling stressed, anxious or depressed, MESSA offers a specialized mental health program to members and covered dependents 18 and older called AbleTo.

AbleTo takes a different approach to behavioral health. With AbleTo, you work with a licensed therapist who creates a personalized eight-week program based on your personal struggles, concerns and goals. During the program, your therapist equips you with new skills and tools specifically tailored to help you reach your goals and improve your mental health.

All AbleTo appointments are virtual, making it more convenient for you to find the time to focus on improving your mental health. Appointments are subject to your MESSA plan's deductible, copayment or coinsurance.

To get started, go to [AbleTo.com/MESSA](https://www.ableto.com/messa)
